

Joint Contingency Acquisition Support Office (JCASO)

OCS Community of Interest

Tim Freihofer

24 March 2009

Agenda

- **JCASO OVERVIEW**
- **RELATIONSHIPS & SUCCESS FACTORS**
- **FUTURE ENGAGEMENTS**
- **AUSTERE CHALLENGE 09**
- **TERMINAL FURY 09**

JCASO Mission and Functions

- **Maintain a trained, technically competent, deployable cadre of acquisition experts who remain operationally focused and are able to chop to a CCDR upon order.**
- **30 permanent military, civilian and contractor personnel with expertise in: planning; contingency contracting; contingency financing; contract law and civil engineering**
- **Provide CCDRs an element aligned with the theater chain of command tasked with:**
 - **Acquisition program management during combat operations, post conflict operations and contingency operations.**
 - **Providing Joint focus and cross service coordination in theater**
 - **Providing initial contract management**
 - **Contract coordinating element for LOGCAP/AFCAP/CONCAP**
 - **Providing a clearing house for contract actions above pre-defined thresholds**
 - **POC for all contracting and contractor issues in the JOA**
 - **Transitioning to the Joint Theater Support Contracting Command providing smooth transition into phase 4, stability and reconstruction operations**

OCS Planning

Exercise Support

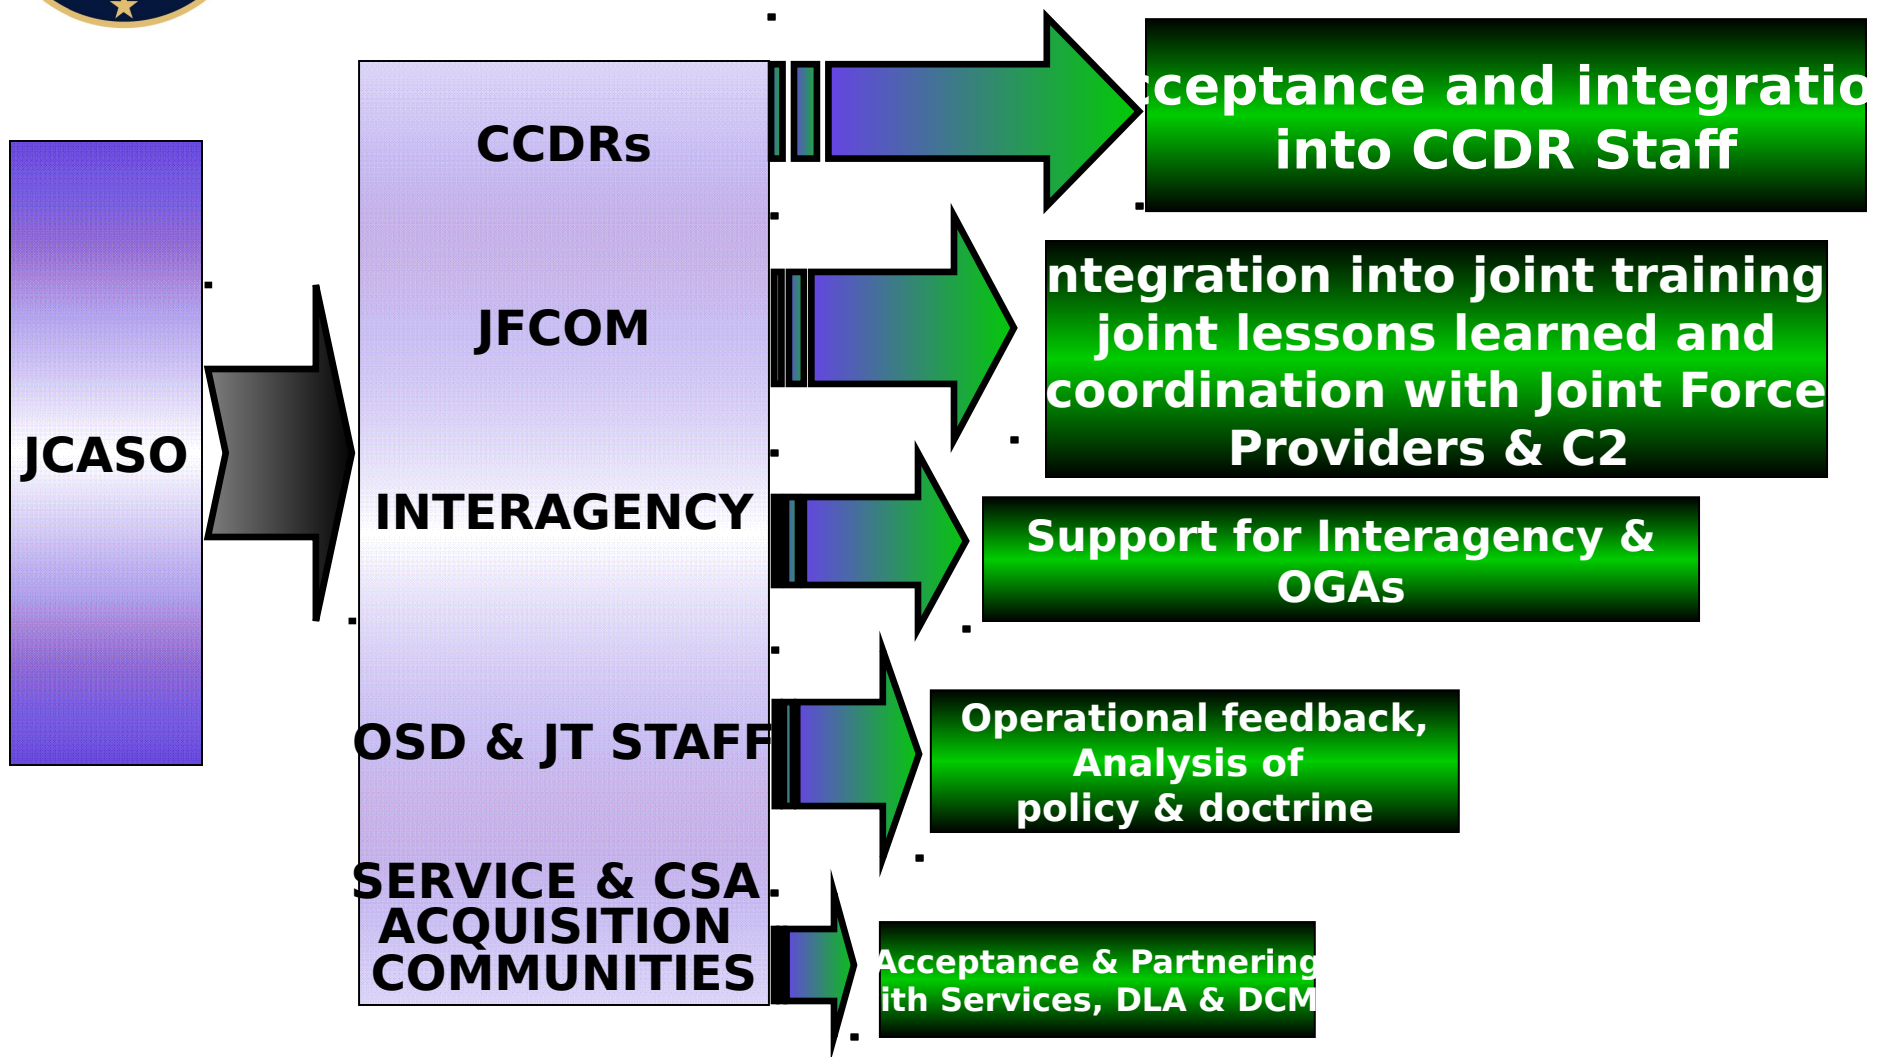

Training

Deployment

- **Participate in CCDR exercises to refine CONOPS and review of OPLANS, CONPLANS, and other theater level planning documents.**

JCASO Relationships & Success Factors

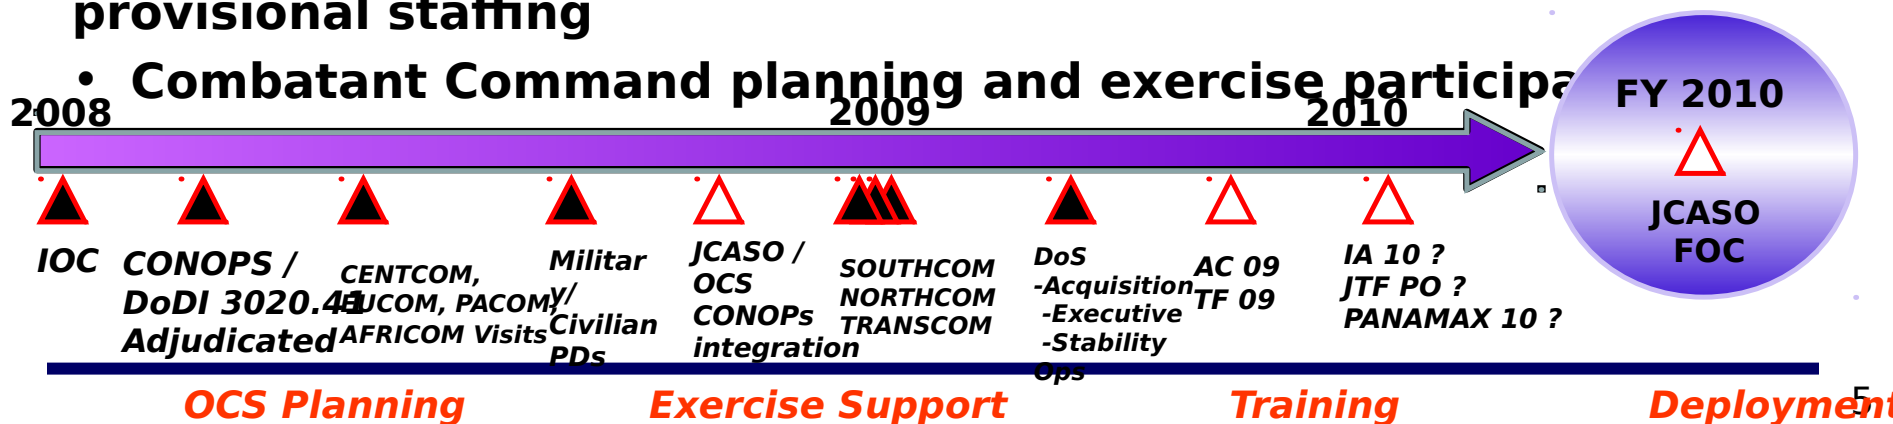

JCASO - Future Engagements

Accomplishments:

- JCASO CONOPs & DoDI 3020.41 Adjudicated
- Military / Civilian Position Descriptions Completed
- Approval for Funding and Staffing via PBD 704&705
- Engagement with COCOM's, State Department, and community of interest

Next Steps:

- Begin Staffing; Washington Headquarters Service impacting provisional staffing
- Combatant Command planning and exercise participation

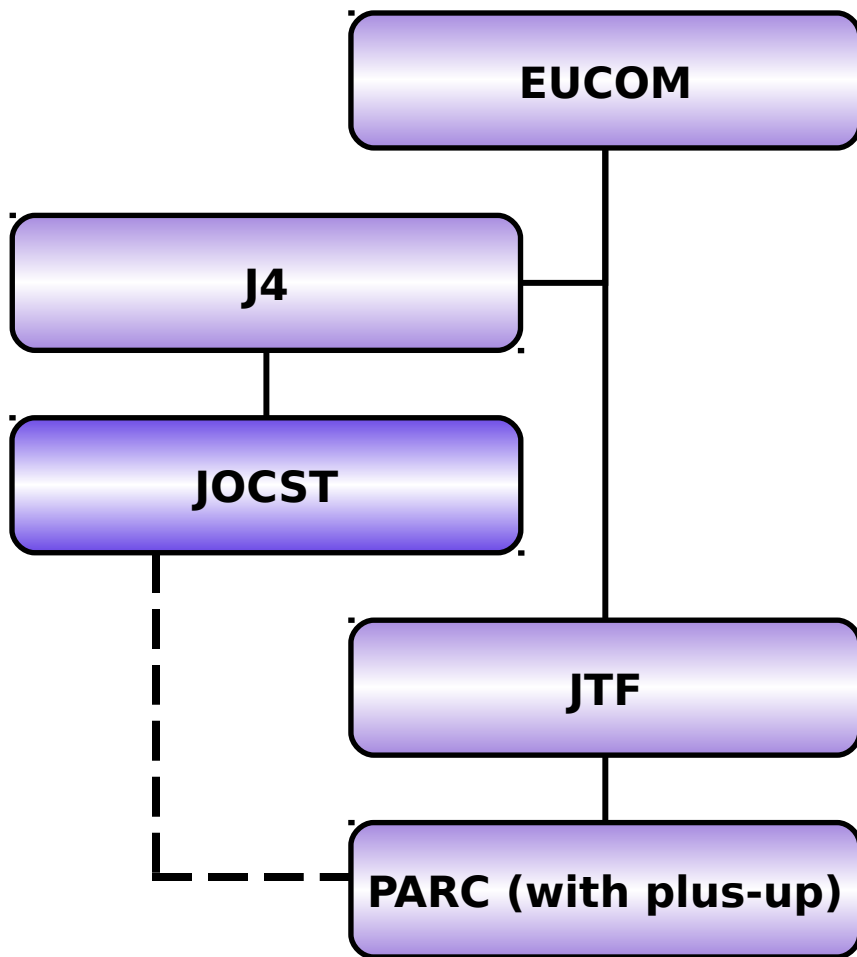

Austere Challenge 09

- **EUCOM has a J4K (Lt Col Ray Barben)**
- **JCASO deploying 4 person OCS team to EUCOM HQ**
- **JCASO providing OCS management to GCC**
- **409th CSB (COL Liesenring) providing OCS mgt to the JTF (JOA)**
- **JCASO will monitor JARB, JCSB and JLB**

Austere Challenge 09 OCS C2

- EUCOM requests JCASO OCS enabler
- JCASO sends JOCST to EUCOM
- EUCOM assigns JOCST to J4
- EUCOM builds “purple” staff element around PARC to act as JTF’s OCS expertise
- JCASO
 - Reach-back capability

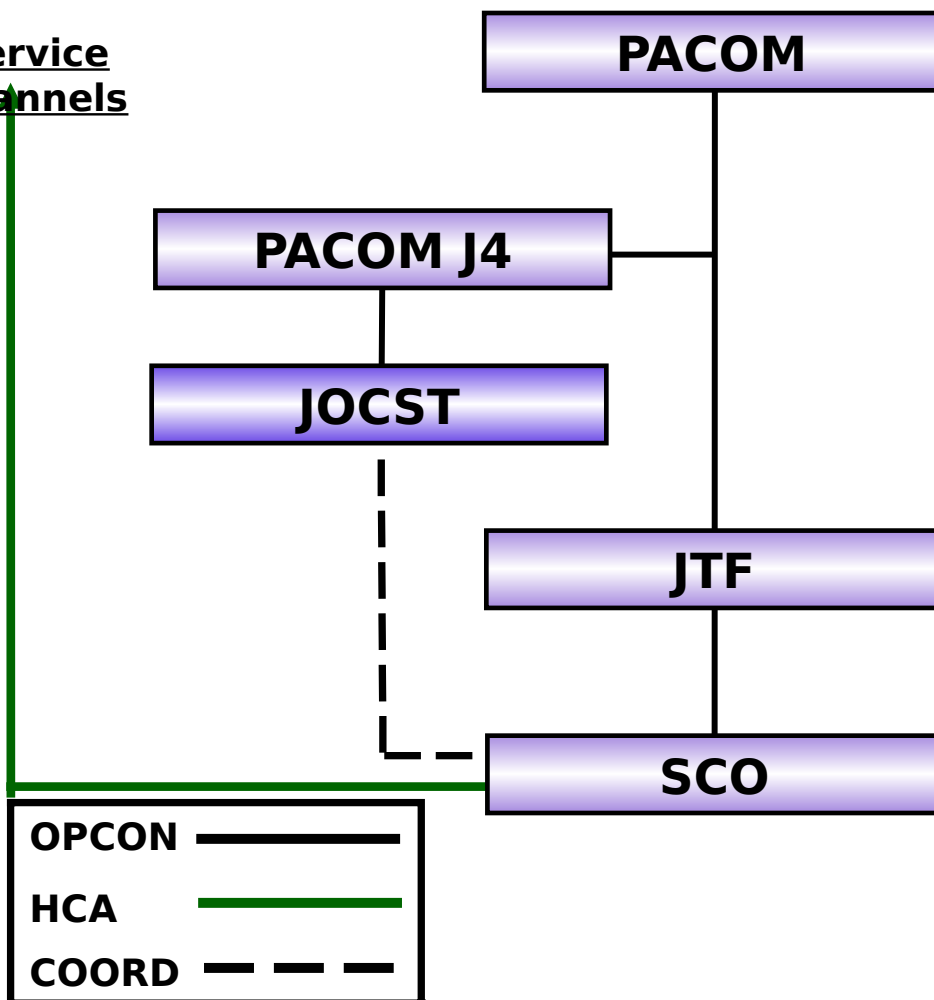

Terminal Fury 09

- **PACOM does not have Contract Management Staff Officer**
- **JCASO deploying 4 person OCS team to PACOM**
- **JCASO providing OCS management to GCC**
- **SCO to form Joint OCS org and provide OCS mgt to the JTF (JOA)**
- **JCASO will monitor JARB, JCSB and JLB**

Terminal Fury 09 OCS C2

Service Channels

- **PACOM requests and receives OPCON of JCASO; assigns to J4 (JOCST)**
 - PACOM J4 runs CLPSB / PCCOWG
- **PACOM chops SCO OPCOM to JTF**
- **Warner 854 and JP 4-10 language:**
 - JTF Cdr Runs JARB
 - Head Program Mgt / Contingency Contracting = JCASO
 - SCO Runs JCSB
- **JCASO**
 - Reach-back capability
